Grand Blanc Selects JST and Plato for Alternative School

Job Skill Technology, Inc. (JST) announced today that Grand Blanc Community Schools has selected JST and Plato Learning's software for their new alternative school program. Grand Blanc selected Plato after evaluating software and visiting various sites for over 1 year. They felt that Plato and JST's track record for producing student results and student improvement was the foundation needed to begin their program. JST, Inc. is pleased to add Grand Blanc Community Schools to their growing list of Plato users.

Job Skill Technology, Inc. is a leading solution provider of computer-based learning and educational tools for pre-kindergarten through adult learners.
