Holland Selects Plato and JST Solution

Job Skill Technology, Inc. (JST, Inc.) is proud to announce that Holland Public Schools has selected PLATO Learning curricula as a powerful tool to assist in instruction. With its age-appropriate, engaging, award-winning content, PLATO Learning curricula will be used for assessment, credit recovery, remediation and enrichment. PLATO's flexible management system allows students to have individualized learning paths, helping teachers to address specific learning needs. Holland has chosen to partner with JST, Inc. because of their knowledge and ability to provide local product support, including technical assistance and training. JST, Inc. is committed to assisting with a successful implementation.
