Ohio Department of Rehabilitation and Corrections Service Selects JST

Job Skill Technology, Inc. (JST) announced today that the Ohio Department of Rehabilitation and Corrections has selected JST's bid to perform service and software support for their 30 correctional education sites throughout the state of Ohio. JST has provided this service to the Ohio Corrections Department for over 5 years. JST was selected based on the bid price and proven track record of providing top level service and software expertise necessary to keep the facilities operating at full capacity.

Job Skill Technology, Inc. is a leading solution provider of computer-based learning and educational tools for pre-kindergarten through adult learners. The company specializes in software, assessment and accountability solutions, e-learning, and hardware with special emphasis on technical support and training.

The company serves K-12 schools, alternative and adult education, state and local government, colleges and universities, correctional institutions, job training programs, corporations, and private industry.

Job Skill Technology, Inc. is headquartered at 1000 N. Opdyke Road, Suite D-2, Auburn Hills, Michigan 48326, 800-783-5780.
